

Our chiavari chairs are commonly used for social, corporate events or as wedding chairs. They are made of a high quality rated hardwood, acrylic or steel. The comfort, construction and quality of our chiavari chairs surpass all others in the industry. They have a beautiful protective shell of many coats of paint that enhance their beauty. Every chair is individually protected and then placed on a rolling cart for fast accessibility and delivery to your event. Our chairs are available in a variety of colors and natural finishes.
